REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: allowance of claims 1-6, 8, and 10-24 is indicated because the prior art of record does not show or fairly suggest an arrangement of resistors, wherein each resistor is alternately displaced toward opposite sides of the well of a semiconductor device in the longitudinal direction of the resistors in relation to an adjacent resistor so as to reduce coupling between the resistors as recited in claims 1 and 21.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
